

Courses Key-In Guideline - First Semester - 2023/2024

v1.2023.08.22

Notes:

1. To be able to do courses key-in, students are required to pay the tuition fee.
2. There is no pre-key-in period for courses offered by the Undergraduate Program in Informatics.
3. The course's key-in period for the Undergraduate Program in Informatics is on Monday, August 28, 2023 (09:00 AM – 04:00 PM).
4. The key-in revision period is on August 30-31, 2023.
5. Students are expected to consult with their academic advisor regarding key-in planning.
6. NOTE: Placing the courses into only UIIRAS basket is NOT CONSIDERED as KEY-IN. Make sure the chosen courses are entered into the *Isian* RAS.

Class of 2021

1. Key-in for Semester 5 courses package, as shown in Table 1, will be executed by the management of the study program.
2. Key-in for the additional compulsory courses must be executed by students independently on the designated key-in period (August 28, 2023). See Table 2 for the available options. This semester we do not offer the course “Islam Ulil Albab”, thus students are suggested to take the course “Islam Rahmatan lil ‘Alamin”.
3. If students have extra credits and are planning to take the fast track, students can add elective courses (choose up to two courses, see Table 3 for the available options). Students are encouraged to take the compulsory courses before taking the elective courses.

Table 1. Courses Package Semester 5.

Course	Credits
Quranic Arabic	2
Mobile Application Development	4
Medical Informatics Application Development	4
Game Development	4

Table 2. Additional Compulsory Courses that can be taken in Semester 5.

Course	Credits
Islam Rahmatan lil ‘Alamin	3
Bahasa Indonesia for Scientific Communication	3

Table 3. Elective Courses that can be taken in Semester 5.

Course	Credits
Big Data	3
Cyber and Information Security	3
Internet of Things	3

Class of 2022

1. Key-in for Semester 3 courses package, which are listed in Table 4 will be executed by the management of the study program.
2. If students have extra credits and are planning to take the fast track, for example: 24 credits, and wish to add courses, they can key-in independently on the designated key-in period (August 28, 2023). The courses that can be taken to fulfill the quota of 24 credits can be seen in Table 5.

Table 4 Courses Package Semester 3.

Course	Credits
Civics Education	2
Computer Systems and Network	6
Web-based Application Development	6
Information Technology Development Management	6

Table 5. Additional Compulsory Courses that can be taken in Semester 3.

Course	Credits
Fundamentals of Data Science	4

Class of 2023

Key-in for Semester 1 courses package, which are listed in Table 6, will be executed by the management of the study program. Class of 2023 students do not need to do an independent key-in and are not allowed to take upper semester courses.

Table 6. Courses Package Semester 1.

Course	Credits
Islamic Religion Education	2
Pancasila Education	2
Design Thinking	4
Fundamentals of Mathematics	6
Fundamentals of Informatics	3
Programming Logic	3

NOTE: During key-in period, if you have a problem with your key-in process, please send email to: septia.rani@uii.ac.id, with subject: KEY-IN-[Your Student Number].
